Administration of grants using banks payment card infrastructure

Uldis Pabērzis

Managing Director, **Complete Payment Systems (CPS)**

Change in approach for administration of grants

yesterday

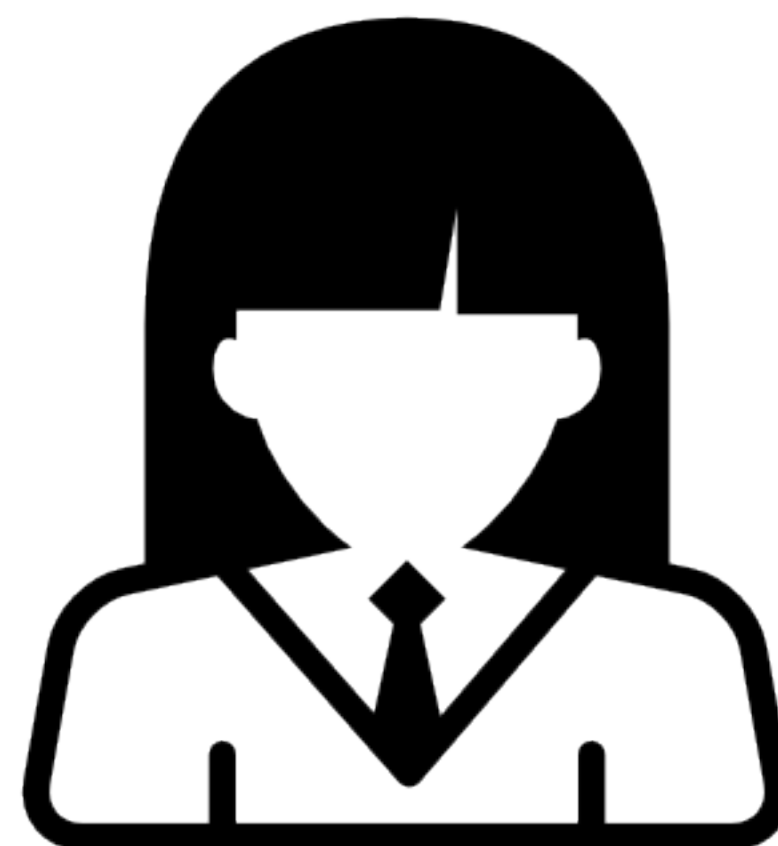

grants are transferred
to **service providers**
based on their reports

tomorrow

grants are transferred
to **citizens** based on
actual transactions

Existing issues

Disclosure of social
status of school
children and residents

Usage of cash by pupils is
risk for them and
concerns their parents

Existing issues

Mistakes in distribution
of grants, because
service providers have
conflict of interest

Delays in payments for
service providers

Existing issues

Necessity of precise,
efficient and fast electronic
way for payment

Solution

Contact-less payment cards, Jelgava's case study

SEB banka, tālrunis 8777
